Bestpak now has three factories and six offices in China, with a total of more than 1,000 workers and 88,000 square meters of covering areas. The total investment amounted to US\$12 million. One factory is located in Shenzhen; another two factories are located in Yangzhou, Jiangsu province. Bestpak has passed the international quality management system attestation and obtained the certificate of ISO9001:2008 and our branch company – Yangzhou Global Gift Packaging Co., Ltd. has obtained the certificate of ISO9001:2008, ISO14001:2004 and SA8000:2008. We produce same products in three factories, using the following machines and equipment:

310 imported high-speed weaving looms and 9 continuous dyeing lines

15 automatic silk-screen, foil and heat-transfer printing machines

2500 braiding and twist cord machines

300 various sewing machines

Our daily production capacities are as follows:

1) 750,000 yds of ribbon (196 colors of polyester satin ribbons in usual stock)

2) 300,000 yds of elastics & cords (regular metallic elastic in stock)

3) 150,000 pcs of gift pouches (50 colors of organza and satin fabric in stock)

4) 100,000 pcs of tassels

5) 400,000 pcs of ribbon bows

Bestpak has now been recognized as one of the largest manufacturers of metallic elastics and cords as well as one of the main manufacturers of ribbons and gift pouches in China.

For ribbons, We are using the world's best dye stuff "Clariant" and also have advanced color fastness tester for washing and dry/wet rubbing, the color fastness of our dyed ribbons can reach up to level 4 and above.

For gift pouches, our usual stocks of 50 colors of organza sheer and satin fabric guarantee very quick deliveries, and in-factory silk-screen printing department enables us to make very quick sampling and production. Also our braiding department's production of decorative cords and tassels provides customers much more choices of the drawstrings.

Bestpak, with the goal of "best quality, best price and best delivery, and also the best service" strive to be the most influential enterprise in the gift packaging accessory industry.
